WELCOME TO OUR GREAT CLUB!

You do not have to be a Takoma Park resident to belong to the club. Tell us about any gardening interests or talents you have, as well as topics you want us to consider for future club events. We welcome all gardeners, from beginners to experts, and are especially eager for new members to get involved. Please let us know if you have any garden-related connections or resources. If you would like to volunteer to help out with club events tell us. We are happy to answer any questions you have about the Takoma Horticulture Club. Thank you!
